

Quality Care – Anytime, Anywhere

Connect with a doctor from your phone, tablet, or computer 365 days a year, 24/7.

A Doctor's Touch at the Touch of a Button

Through live video, meet with a board-certified doctor anytime you need, all from the comfort of your home. The doctor can discuss your health history, review symptoms, and recommend treatment. So there are no surprises, at the beginning of each visit you'll be told how much you have to pay out of pocket*. A Doctor on Demand visit cost is comparable to what you pay when you see your doctor for a sick-visit.
